

Startup Water District  
Special Meeting Minutes  
September 8, 2013

Commissioner Kate Roesler called the Special Session meeting of the Startup Water District Commissioners to order at 4:00 p.m. Sunday September 8th, 2013.

**Commissioners and others present:**

Startup Water:  
Renette Villella  
Kate Roesler

Community:  
Connie Dunn - City of Sultan  
Matt Wood - City of Sultan

**Sultan** - The commissioners met with Connie & Matt from the City of Sultan regarding a water sample taken on 9/4/13 and tested at AM Testing.

Matt, working off of old paperwork, took a water sample from the east hose bib located at 35502 Sultan Startup RD. The sample tested positive for a small amount of fecal chloroform. The lab followed procedure and notified the DOH and the City of Sultan(Connie). It was decided that the test was done wrong and we would retest to DOH standards. Kate spoke with Derek (DOH) to confirm State standards.

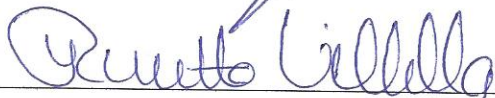

**Note** - Just as a follow-up, retest was done 9/9/13, the test came back negative.

This Special Meeting of the Startup Water District was adjourned at 5:00 p.m.
